

Please know that we are following strict guidelines set forth by the CDC, Burlington County Health Department, governor and county officials. Be sure to read them carefully before you set out to see us.

.  
▶ Clean Spaces: Like always, we are disinfecting all tables after each guest.

.  
▶ Social Distancing: We have reconfigured our table layouts to allow for more spacing between parties.

.  
▶ Mask Up: Please put your mask on upon arrival and keep it on whenever you are not at a table. You WILL need a mask to enter the building and to see the hostess.

.  
▶ 1 Hour Table Limit once your food arrives: In order to serve as many customers as possible, we will be adhering to a strict 1 hour time limit on all tables. Thank you for your understanding!

.  
▶ 8 People To A Table: We will seat a maximum of 8 people to a table. Tables cannot be pushed together at this time. All people in your party must be present in order for us to seat your party.

.  
▶ Do Not Congregate: PLEASE keep 6 feet apart from people that are not within your party at all times.

.  
▶ Pack Your Patience: We appreciate your understanding and kindness while we all figure out how to navigate these new guidelines.

.  
▶ Reservations: We do not take reservations or call aheads. We will seat on a first come, first serve basis.

.  
▶ Entertainment: We are diligently working on an upcoming schedule and will have a VERY LIMITED live music soon.

.  
Most importantly, the Pic Family cares about Your Family. We truly appreciate your patience and kindness while we all navigate through these unprecedented

times! We can't wait to see you all, but we also want everyone to stay well and stay safe!
